

Discover ProtectBuy® – 3DS Server Project Request Form

For Acquirers / Gateways / PSPs / 3DSS Providers

About This Form

The purpose of this form is to gather required information to be used throughout the Discover ProtectBuy® implementation process.

Please work with your Account Executive to fill out this form. **All fields are required unless otherwise specified.**

What's next after you complete this form?

1. Discover will review the form and respond with any questions.
2. Your Account Executive will schedule a kickoff call.
3. Discover will evaluate your testing needs and instruct on next steps.
